### **Re: Cancellation of Ancaster Heritage Days Summer Events 2021**

One year ago this week we issued a press release stating that we were cancelling Ancaster Heritage Days 2020. We had hoped and planned that by now we would be on our way to a comeback. Unfortunately, with the local effects of the pandemic at the worst they have ever been, we are sadly making the decision to cancel Ancaster Heritage Days 2021.

In January of this year we began putting a “Plan B” in motion for our June event. These plans were based on pandemic protocols similar to what we had to work with when hosting our very successful *Drive-Thru with Santa* event in December at the Ancaster Fairgrounds. However, with the current restrictions, uncertainty ahead, planning challenges, and especially considering the safety of our volunteers, vendors, and participants, we regrettably see no other option but to cancel.

We remain committed to coming back as soon as we can. Our eyes are now focused on *A Village Christmas*, scheduled for Thursday, December 2. We hope for a wonderful community celebration!

To our sponsors, we recognize that for many of you these are challenging times. If you have concerns or questions regarding your commitment to Ancaster Heritage Days, please be in touch. We are committed to working with you.

On behalf of all of us at Ancaster Heritage Days, we hope to see you soon. Stay safe, take care of each other, and let us all continue to work together to make this a great place to live, work, and play.
