PRESS RELEASE

Release Date: March 23, 2020

Re: Update Regarding Covid 19

These are unprecedented times affecting just about everything in our lives. The Covid 19 pandemic has turned everything upside down. All of us at Ancaster Heritage Days hope you are staying safe, doing well, and figuring out this new and strange norm.

Ancaster Heritage Days 2020 is scheduled for Saturday, June 13. At this point we remain committed to making this annual event take place as planned. However, we recognize that in the weeks and months ahead, that may need to change. We will provide updates as needed.

In the event that we are unable to proceed as planned, our goal is to work together with the Ancaster Business Improvement Area, our sponsors, our vendors, Councilor Ferguson's office, and the Ancaster community in putting together an event as soon as possible to celebrate the easing of social distancing restrictions. We will all need to do our best to support our local businesses. And we will need to come back together again as a community.

To our wonderful sponsors, we recognize that for many of you these are challenging economic times. If you have concerns or questions regarding your commitment to Ancaster Heritage Days 2020, please be in touch. We are committed to working with you.

To our vendors, we are committed to doing our best to fulfil our contracts for June 13. However, given what has already been said, we trust you will understand that we may need to tweak dates and services as this unfolds. We are and will continue to follow the municipal, provincial, and federal government guidelines for public gatherings and events like ours, which at this time have all been suspended.

Ancaster is a great place to live and it is so because of the people who call it home. Times like these is when that shines the most. We at AHD encourage everyone to stay safe and to take care of each other. And hopefully we'll all be together in June to celebrate this great place!

If you have any questions please contact us through our website. www.ancasterheritagedays.com
